For those of you who don't know, 2012 is a significant year in Mayan history. To mark the occasion, the Director of Archaeology of Belize is opening some historic Mayan sites for wedding ceremonies. This is an amazing opportunity to get married in beautiful, unique spots which normally aren't open to public ceremonies. To help you along, Hamanasi Adventure and Dive Resort has developed a [destination wedding](#) packaged specifically designed for couples wishing to say "I do" in the shade of Mayan ruins.

Couple's staying at the resort will be offered a personal wedding coordinator who will help you design your perfect Mayan wedding. You will be able to choose from multiple sites like a pyramid at Xunantunich or the stone archways of Cahel Pech. Included in your [Mayan Wedding Package](#) is the following:
