With all the World to choose from when deciding on your **honeymoon** locale, you and your new spouse are going to want something special! Besides being located on the beautiful central coast of Belize, Hamanasi Adventure and Dive Resort has a unique feature perfect for newlyweds wanting that extra dash of romance. The resort is launching two new deluxe tree houses in December 2012. The tree houses are luxurious cabanas complete with wrap-around verandas, king-size beds, spacious living rooms, kitchenettes and double bathrooms.

The best part is, the folks over at Hamanasi are die-hard environmentalists and chose to preserve the forest of central coast Belize by building in the trees rather than cutting them down. They also have a lengthy policies in regards to topics like resource consumption, employee education and local community empowerment. Below is an in side look on the resort's new Honeymoon Seaside Romance package:

- 8 days/7 nights accommodations
- Five adventures (such as barrier reef diving or snorkeling, jungle kayaking, tropical birding, Mayan history tour, and waterfall hike)
- All meals including a private dinner set up beachside, poolside, in room, or on terrace
- Duet massages
- Floral turndown
- Welcome bottle of champagne
- Air and ground transfers

Hamanasi Adventure and Dive Resort is a boutique beach resort nestled between Belize's barrier reefs and lush rainforests. The idyllic setting and world-class service make it ideal for honeymooners. For more information on the resort or to book your dream honeymoon, visit Hamanasi.com. Rates for the Honeymoon Seaside Romance package vary by season and can be found [here](#).
